BCA National Meet, 2025

DIRECTOR'S MESSAGE

Marck Barker

Welcome to a very special issue of the Reatta Road featuring the 2025 Buick Club of America National Meet!

I'm very proud of my local Tarheel Chapter and all of my team that made this year's national event such a great meet for all to attend. I hope you had the opportunity to join us, but if you didn't, I hope that this issue makes you feel like you were there!

This issue features photos from several days of the National Meet, as well as our excellent Reatta Rendezvous organized by Assistant Director Brian Pitoniak.

I hope you enjoy this issue and please remember to submit your own Reatta stories for the next issue of the newsletter!

Go Buick! - Marck
