Happy Labor Day!

- **Tweed Valley, Australia** – This HCCA National Tour will be conducted by the South East Australian HCCA Region, and welcomes all self propelled vehicles manufactured before January 1st, 1916.
  Tweed Heads is a coastal town at the mouth of the Tweed River, in the Northern Rivers region, in the state of New South Wales, Australia. Tweed offers some of Australia's most spectacular scenery. It has it all: ocean views, mountains, grazing lands, even distant city vistas.
  Located south of Brisbane, in the cosmopolitan City of Coolangatta, and the relaxed lifestyle of Tweed Heads, this promises to be a fantastic seven days of touring. (Google: Tweed Heads, Australia.)
  Newsletters No 2 and No 3 are already out, and these explain all you need to know to get excited about this tour, and sign up!
  There is even an online sign up app, that you can read all about in Newsletter No 3.
  Don't use the computer? No problem. There is direct contact information to the tour organizers, and you can sign up for the tour using Pre-1916 technology too (by mail)!
