Happy Labor Day!

- **Hershey is in 37 Days!** – Per the AACA Speedster: "The Hershey Region AACA invites you to make the pilgrimage to antique car Mecca this October. Come join the more than 250,000 visitors who come each year to experience Hershey. The Hershey show is considered the largest antique car show and flea market in the world boasting some 9,000 vendor spaces in its flea market, a car corral with 800+ antique cars for sale and culminates in a great car show with about 1,000 vintage cars on display."
  Judges Wanted: "Judges' registration for Hershey is open." See the link to the last Judges Newsletter, which includes the Hershey Judges registration form. HURRY! The judges' registration deadline is Sept 15th. https://aaca.org/ See Publications/ Judges Newsletter, for details.

- **The Brass Nuts advice** – From the Northern California Regional Group: "DON'T BE A ROAD HOG - Jeanne and I have been on many old car tours, and rarely have I heard the organizers ask participants to give consideration to modern traffic. At our daily driver's briefings, it was refreshing to hear Clay suggest that old cars look for opportunities to pull over and allow modern traffic to pass." Courtesy can win friends for our slow Brass cars!

- **Last Call for Tire Survey!** – HCCA President Russell Holden has been working with tire suppliers for Brass Era vehicles, to persuade them to re-introduce obsolete tire sizes and make them available to the market. The HCCA Board has developed a Tire Survey, so that members can provide feedback on what tires you would like to see re-introduced, and to improve quality.
  Many of you have responded to the survey. Thank You!
  If you haven't responded, now is the time. The Tire Survey deadline is September 15th! Please fill out the survey at the link: https://hcca.org/survey/ For details, see Page 9 of the July-August 2024 Gazette.
