Re: New Member Program; Tire Survey; Hershey Show Registration; What's on the Calendar ….
Issue: 2024-07-01 #07

Happy Fourth of July!

- **Sell a Brass Car, Add a Member!** – Did you sell a Brass Car recently? Is that new owner an HCCA member? If NOT, we can now fix that.
  The HCCA Board approved the Brass Car New Owner Program. All you need to do is send the name and address of the new owner of your recently sold Brass Car to the HCCA Executive Secretary at office@hcca.org
  If that new Brass Car owner is NOT a current HCCA member, they will get a One Year HCCA complimentary membership.
  Why are we doing this? We want to welcome that new Brass Car owner, introduce them to the Gazette, and get them out touring with us. After that first year, we encourage them to become a regular member. Please welcome them to join your local Region as well.

- **HCCA Tire Survey - Reminder** – As you know, HCCA President Russell Holden has been working with tire suppliers for Brass Era vehicles, to persuade them to re-introduce obsolete tire sizes and make them available to the market.
  The HCCA Board has developed a Tire Survey, so that members can provide feedback on what tires you would like to see re-introduced, and to improve quality.
  Many of you have responded to the survey. Thank You! If you have not responded, please do so. Let us know what you need!
  Please fill out the survey at the link: https://hcca.org/survey/ For details, see Page 9 of the July-August 2024 Gazette.

- **Hershey Reminder** – The AACA Eastern Fall Nationals (Hershey) Registration is now open. You can call, email, or mail your request for Flea Market, Car Corral, and Show Car information now.
  You can also go online (https://aaca.org/) to register your Show Car and pay online via credit card. The deadline is August 15th.
