HCCA NATIONAL NEWS

Re: New Member Idea; Century Plaque Contact; Collector Car Appreciation; Gray Tires; ….
Issue: 2024-06-01 #06

- **Wanted: New Members!** – Lots of cars are for sale on the HCCA Website. Is that new Brass Car owner an HCCA member? We would like to have every new owner of a Brass Car, as a member of the HCCA. How is that possible? Here's a suggestion.
  The seller could ask for the name and address of the new Brass Car owner, who is NOT a current HCCA member.
  They could send this to Exec Secretary Lindsey at office@hcca.org
  Then, the new owner of the Brass Car would get an introductory one year membership in the HCCA, compliments of the Club.
  Also, when you hand the keys (or the crank), to the new Non-HCCA owner, you could tell them to expect a copy of the Gazette soon.
  This would be a Win-Win. We would have new members for the Club, and tours for the new owner and their new Brass Car.
  Sounds good to me. Well worth considering.

- **Century Plaque Program – New Contact** – As you all know, Augie Lesher has been in charge of the HCCA Century Plaque Program for several years now. This summer, he is headed off to college at: The United States Naval Academy! Jeff Lesher is the new Century Plaque contact.
  Congratulations to Augie!

- **International Collector Car Appreciation Days** – Thanks to the efforts of the Specialty Vehicle Association of British Columbia (SVABC) and the National Association of Automobile Clubs of Canada (NAACC), the Province of British Columbia is designating "International Collector Car Appreciation Days" on July 12 - 13, 2024. Concurrently, the province is also declaring the month of July as "Automotive Heritage Month", and "Collector Car Appreciation Month" once again. This special occasion is held every summer across Canada to bring focus to the country's rich automotive heritage. Plan to drive your Brass Car on those days.

- **All Gray Ribbed Tires** – Per the HCCA Tire Survey, President Russell Holden has asked, "are there any other members who would potentially order the 28 x 3 All Gray ribbed tires"? Russell uses them on his Cadillac. They fit other cars too. Remember, a volume order lowers the price! Email russell@veterangarage.com.au
