

Door County Wis Tour July 28-31, 2026

Join us for the fun starting at 1:30 pm Tuesday July 28 and conclude at Noon on Friday July 31.

Known for its picturesque coastal towns, specialty shops, fish boils, cherry and apple orchards and scenic beauty, Door County, Wisconsin is often referred to as the “Cape Cod of the Midwest.” With the waters of Green Bay on one side and Lake Michigan on the other, the Door Peninsula offers spectacular waterfront views, with more than 300 miles of shoreline featuring towering limestone bluffs, rugged rock formations and pristine beaches. Door County offers more miles of shoreline, one of the highest concentrations of lighthouses and more state parks – a total of five – than any other county in the state.

Museums, scenic narrated boat cruise, farm markets and more are all included.

We will take a ferry to Washington Island to explore the sites for a day. Fragrant Isle Lavender Farm & Shop is sure to be a big hit there.

For one dinner we will conform to the local tradition by attending a Fish Boil. Alternative food available.
