SNAPPER'S THOMASVILLE, GEORGIA TOUR ATTRACTIONS

April 21-27, 2024

Hello Snappers!!!

During the tour we are going to see:

Pebble Hill Plantation, Thomasville, GA., an example of how the mega rich industrialists from the north came to South Georgia and established magnificent hunting plantations. Tour the opulent home and beautiful gardens. You can find more information online, just do a search at, www.pebblehill.com

Zebulon Theater, the oldest theater in Georgia. Built in 1935, this theater is a real movie treat. The Zebulon is an Art-Deco style, old time theater that has been remodeled to bring culture and theater into the community. Here we will be treated to a showing of "Genevieve", undoubtedly the best movie ever made about brass era cars. Free popcorn and soda too!

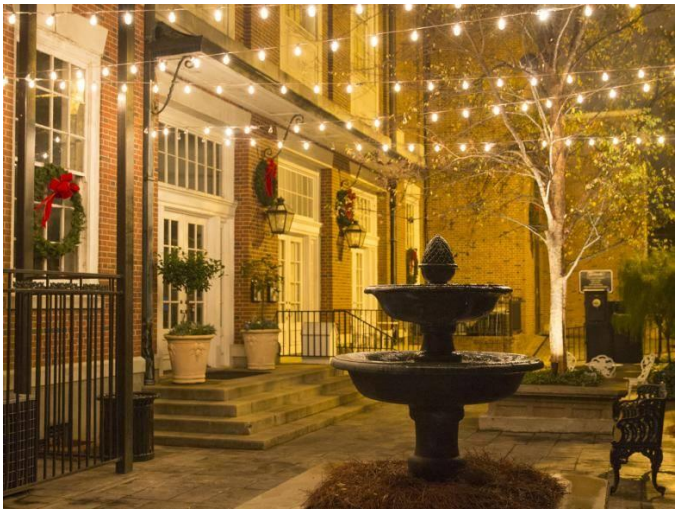

Georgia Agricultural Museum, Tifton, GA., a 95-acre site of faithfully restored or preserved structures. The G.M.A. highlights rural life in Georgia from the late 1800's until 1910.

The grounds boast a traditional 1870's farm community, progressive 1890's farmstead, industrial sites, National Peanut Museum, working steam train and much more… not to be missed.

City of Thomasville, one of the nicest small towns in Georgia with its brick streets, fine restaurants and beautiful homes.

An optional walking tour may be provided. Checkout www.thomasville.com

The Wayne Hadden Automobile Collection and Museum is located in Cairo Georgia is simply chock-a-block with automobilia, pre-war cars, fire trucks and world's of just plain old "stuff".

Turmeric Farm, we are still working on the details of this one, but you will see how turmeric, and ginger are grown and processed.

Tallahassee Auto Museum, if you have never been there, it is not to be believed, simply enormous!

Look it up online at www.tacm.com it is too much to describe in this limited space.

You are sure to experience some of the best food the south has to offer; catfish, fried chicken, barbeque, grits and hush puppies.

Even more fun is planned. We hope you will join us. If not already done, please send in the First Step Registration shown on the next page. Final registration will be available in mid-February.
